Directions: *Coming from NYC – Coming from Boston –*
(If you don't want to come through Providence from Boston then you can come down 24 south from the north)

Coming through Providence:

95 South to Providence – to 195 east to Fall River –
24 south – second Tiverton exit after Fish Rd.....
Off exit take a L, through blinking light down hill to stop sign at Maine Rd facing water, bear L down hill/ water stays on your R, Drive through tiny town, pass beach and Getty station on R, stop at Cumberland farms for water on L if you want to, our Rd is the first right off Maine Rd, you will see it right after you pass some mill buildings and a low light blue storage building on R
Turn R on Nanaquaket Rd, go over a little fishing bridge, bear left at top of small hill. We are 219 - the 9th driveway on R – stone wall in front/ blue flower box on left side of wall. Longish driveway – park anywhere up and down but look out for circles of rocks with flowers in them. I always have Christmas lights on the porch at night if it's dark.
The STUDIO is in the back of the house to the L.
